Embassy of the Philippines

Tehran

No. WCS-61-2020

The Embassy of the Republic of the Philippines presents its compliments to the Ministry of Foreign Affairs of the Islamic Republic of Iran, and has the honor to convey a copy of a letter from the Ateneo de Davao University (AdDU) in Davao City, Philippines, inviting universities and colleges in Iran to participate in its short-term, virtual Remote Internship Program opening September this year.

The Embassy kindly requests the esteemed Ministry to transmit the enclosed letter to the Ministry of Science, Research and Technology of the Islamic Republic of Iran or the Ministry of its highest destination.

The Embassy of the Republic of the Philippines takes this opportunity to renew to the Ministry of Foreign Affairs of the Islamic Republic of Iran the assurances of its highest consideration.

15 August 2020

Enclosure: As stated

Tehran, Iran

*Continuing from the previous communication.*

The Ateneo Internationalization for Mindanao Office (AIMO) invites you to nominate student applicants for our summer Remote Internship Program.

Send us the full names, year, and course of your nominees, and forward them the link to the application form below. Please indicate if their internship applications are to be credited as part of Ateneo's own curriculum.

We look forward to meeting your nominees in our September internship cycle!

For students who prefer to participate in our other remote internship cycles, see the details of other cycles below.

*All Messages are Optional*

Ateneo Internationalization for Mindanao Office  
Ateneo de Davao University

## ***September Internship Cycle***

### **SCHEDULE**

#### **Applications for the September Cycle**

August 10 – 19, 2020

#### **Internship Duration**

September 1 – 30, 2020

### **POSSIBLE INTERNSHIP PLACEMENTS**

- **Mindanao Peacebuilding Institute**

The Mindanao Peacebuilding Institute (MPI) is an Asian training institute grounded in the peacebuilding efforts of the region of Mindanao, Philippines. MPI provides a space for people of diverse backgrounds to gather together, share and learn in a safe environment where all viewpoints are encouraged and respected.

MPI is a capacity-building resource for peacebuilders that heightens their skills in research, community engagement, and solidarity building. MPI has various partners in the Asia-Pacific Region that bolster their programmatic thrusts on education and training, networking, and research, documentation, and learning.

MPI is looking for interns who can assist in developing their content and media presence online. They are also interested to work with young people who are passionate with advocacies of social development and peacebuilding.

Visit <https://mgi.asia.net/> for more information

- **Project DYESABEL**

Project DYESABEL (Davao Youth's Environmentally Sustainable Advocacies Building and Empowering Lives) is a non-profit, youth-led organization that serves as a platform for young students from the *Sama Dilaut* indigenous peoples of Davao City, Philippines. They are engaged to lead and participate in sustainable advocacies in education, sustainable livelihood, scientific research and innovation, and formative learning

They are looking for interns who can work to empower their learning modules for their Alternative Learning System (ALS) that caters to the basics of literacy. The ALS also tackles formal basic education, environmental education, and indigenous education.
